You have our assurance that NO information will be shared with any other parties, and will be kept in the strictest confidence

WELFARE STERILISATION RATES AVAILABLE TO EVERYONE WHO QUALIFIES IN CELEBRATION OF WORLD SPAY DAY - 23 FEBRUARY 2021 - BETHLEHEM

We will be bringing our mobile theatre, Daisy and the entire team to Bethlehem for the day and we will be offering all sterilisations at welfare rates!

There are however some requirements if you would like to access our services on this day. Low cost steri's can only be accessed if the combined income of your household is less than R10 000 per month, you will be required to submit proof.

The reality is that we can only accommodate 25 animals. In order to make this a fair process, you need to register and pay in advance to secure an appointment for your pet/s.

Our sterilisation rates are listed below:

- Spay a female cat – R550
- Neuter a male cat – R450
- Spay a small female dog – R800
- Neuter a small male dog – R700
- Spay a medium-large female dog – R900
- Neuter a medium-large male dog – R800
- 5-in-1 (Dogs) and/or 3-in-1 (Cats) + Rabies vaccinations - R150 per animal, this is only offered if you are sterilising your animal on this day

If you are interested and would like to sign up for this service, you need to register (and pay) ASAP.

STEP 1 – Please complete and sign the form and send it back to imogen@clunyanimaltrust.co.za you are also required to submit proof of income at this time.

STEP 2 – Once you have received confirmation, you will then need to make payment immediately to secure your spot and proof of payment must also be sent to: imogen@clunyanimaltrust.co.za

STEP 3 – Once payment has been received, you will receive a time and confirmation of your appointment from Chantal via Whatsapp 2-3 days prior to the 26th February 2021.

On the 23rd February 2021 you will be required to bring along your :

1. ID copy
2. Proof of household income not older than 3 months eg. bank statement
3. Proof of residence

You will also be required to complete and sign an affidavit stating your income

Application for Pet Sterilisation

Indemnity of Cluny Animal Trust

Cluny Animal Trust uses qualified staffing and supervised students of the Dept of Veterinary Science in their final (practical) year at Onderstepoort, and approved materials for all procedures performed. It is important for you to understand that the risk of injury or death, although extremely low, is always present just as it is for humans who undergo surgery. Please ensure that you carefully read and understand the following before signing your name.

- I, Owner, or acting guardian of the pet named above, hereby request and authorise Cluny Animal Trust, through whomever veterinarians they may designate, to perform an operation for sterilisation of the animal named on the above portion of this form.
- I understand that the operation presents some hazards and that injury to or death of such an animal may conceivably result, for there is some risk in the procedure and the use of anaesthetics and drugs in providing this service.
- I either certify that this animal has been vaccinated within one year prior to this date or waive my right to protect this animal by having it vaccinated.
- I understand that it takes up to two weeks for vaccinations to protect this animal.
- I understand the inherent risks of failing to maintain current vaccinations and waive all claims arising out of or connected with the performance of this operation due to such failure.
- I certify that to the best of my knowledge, this animal is in good health, and that all animals over 4 months of age, has had no food or water since midnight prior to surgery.
- I understand that Cluny Animal Trust has the right to refuse service to any animal to whom surgery is deemed a health risk.
- I understand that Cluny Animal Trust may not perform a complete physical examination before surgery is undertaken.
- I also understand that this animal will not receive pre-operative blood work and waive my right to have this service performed prior to surgery at a full service veterinarian.
- I understand that some factors significantly increase surgical risk, including but not limited to, pregnancy, heat, and diseases such as Feline Immunodeficiency Virus, Feline Leukaemia, and heartworms.
- I understand that if this animal is pregnant, the pregnancy will be terminated at surgery.
- I understand that if I don't retrieve this animal at the agreed upon time that Cluny Animal Trust will exercise its right to turn the animal over to the nearest humane society or a Cluny Animal Trust approved foster parent.
- I hereby release the Cluny Animal Trust Sterilisation Project, all veterinarians, assistants, volunteers, directors, and employees from any and all claims arising out of or connected with the performance of this procedure or any adverse reactions from vaccinations.
- I agree that I have not and will not claim any right of compensation from them, or file action by reason of such sterilisation or attempted sterilisation of such animal or any consequences related thereto.
- I also agree to indemnify and hold Cluny Animal Trust blameless for any damages caused during the transportation of the animal, or for any damages caused by any unforeseeable events including fire, vandalism, burglary, extreme weather, natural disasters or acts of God.

(Owner/Guardian will be required to sign this document at the time of handing above named Pet over for sterilisation)

I the undersigned, do hereby acknowledge that I have read and understood the terms and conditions of this indemnity of Cluny Animal Trust and will ensure that this document is signed by myself or an authorised person at the time of handing above named Pet over for sterilisation.

Yes

In addition, I the undersigned understand that I may only access the services from the Cluny Animal Trust if I pass a means test. I understand that should I not be upfront about my earnings, and that I book and pay for a space for my pet/pets that the Cluny Animal Trust reserves the right not assist me and I will not be entitled to a refund. Any fees paid may then be used as a donation to provide veterinary care for underprivileged animals.
